ABOUT US

Founded in 2015, Netcon Enterprise Private Limited has rapidly emerged as a formidable leader in the manufacturing of UPS systems, control cables, networking cables, network racks, IP enclosures, and security systems. Our team comprises industry veterans with decades of combined experience, ensuring that our solutions are not only innovative but also grounded in deep industry knowledge.

Our state-of-the-art manufacturing facilities and cutting-edge design processes enable us to provide comprehensive solutions. With a commitment to continuous improvement and technological advancement, we create industry-leading products. We are committed to developing eco-friendly products and solutions that contribute to a greener future. Our adherence to ISO 9001:2015, ISO 14001:2015, and 45001:2018 standards underscores our dedication to quality and reliability. We serve domestic and international clients with innovative, high-quality products engineered to meet rigorous industry standards for performance and dependability.

VISION

Our vision is to be a globally recognized leader in the manufacturing of power and connectivity solutions. We aspire to continually evolve our product offerings to meet the dynamic and ever-changing needs of the industry, fostering growth and innovation.

MISSION

Our mission is to deliver innovative, high-quality power and connectivity solutions that enhance the operational efficiency and reliability of our clients' infrastructures. We are committed to advancing technology and setting industry benchmarks through our unwavering dedication to excellence.

PRODUCTION FACILITIES

OUR PRODUCTS

UPS SOLUTIONS

Ensure uninterrupted operation and protect against power outages, surges, and spikes. They are essential for business continuity and safeguarding electronic equipment.

**ONLINE HIGH FREQUENCY UPS | TRANSFORMER BASED INDUSTRIAL UPS | MODULAR UPS
OUTDOOR UPS | LINE INTERACTIVE UPS BATTERY BANK AND CABINETS FOR | LARGER INSTALLATIONS**

Control Cables

Manufacturing high-performance control cables for precise signal and power transmission in various industrial environments. Designed to endure harsh conditions, ensuring durability and consistent performance in critical applications.

**SPECIALIZED CONTROL CABLES | SHIELDED MULTI STRAND TINNED COPPER CONDUCTOR CABLE
UNSHIELDED MULTI | STRAND COPPER CONDUCTOR CABLE | SHIELDED MULTI
STRAND COPPER CONDUCTOR CABLE | INDOOR & OUTDOOR RS-485 CABLES**

Networking Cables

Support high-speed data transmission and robust connectivity for both small and large scale network infrastructure. Designed to optimize performance, they ensure seamless communication and data flow.

**CATEGORY 6 UTP / STP / SFTP CABLES | CATEGORY 6 DOUBLE JACKET OUTDOOR CABLE
CATEGORY 6A UTP / STP / SFTP CABLES | CATEGORY 6A DOUBLE JACKET OUTDOOR CABLE
ELEVATOR FLAT CABLE | PATCH CORDS | PATCH PANELS | I/O MODULES AND ACCESSORIES**

Network Racks

Designed for durability and versatility, providing secure housing for networking equipment. They support easy organization, maintenance, and scalability for IT infrastructure needs

**WALL MOUNT RACK SINGLE AND DOUBLE SECTION | 600MM / 800MM / 1000MM DEPTH OPTIONS
FLOOR MOUNT SERVER AND PERFORATED RACKS**

IP Enclosures

Engineered to protect sensitive equipment from environmental hazards, including dust, moisture, and extreme temperatures, ensuring longevity and reliability for both indoor and outdoor use.

WALL MOUNT ENCLOSURES | PLINTH MOUNT ENCLOSURES | POLE MOUNT ENCLOSURES.

Security Systems

Comprehensive security solutions with advanced surveillance and monitoring technologies ensure robust protection and real-time monitoring for asset and premises safety.

**STANDALONE SECURITY SYSTEMS | RFID / BIOMETRIC AND FACIAL RECOGNISE SYSTEMS
GATE BARRIERS | MAGNETIC LOCKS | DOOR STRIKE | DROP BOLT LOCKS | DOOR SENSOR
EGRESS BUTTON | POWER SUPPLY**

WHY CHOOSE US

Industry Leadership and Successful Partnerships

Through strategic partnerships with leading global suppliers and clients, we've earned trust as a preferred industry partner. Our track record includes a diverse portfolio of successful projects, from large-scale installations to tailored bespoke solutions.

Sustainability and Corporate Responsibility

Netcon Enterprise prioritizes sustainable practices and corporate responsibility. We focus on eco-friendly manufacturing, energy-efficient designs, and ethical business practices to positively impact the environment and society, alongside driving business growth.

Customer Commitment

We are committed to delivering exceptional customer service and support. By understanding each client's unique needs, we offer customized solutions that build long-term partnerships based on trust, reliability, and mutual success.

Quality Assurance

At Netcon Enterprise, quality is integral to our operations. We use rigorous quality control processes and advanced manufacturing technologies to consistently exceed customer expectations, adhering to international standards and certifications.
